

There's more to
CyclePoint than just
eRecycling.

Old technology means new
opportunities.

Find peace of mind knowing that
eRecycling is good for your
business, good for the
environment, and even better for
your community —by creating
opportunities for people with
significant disabilities who want
jobs and take pride in what they
do.

**It's good for your community, It's good for the
environment, It's good for your business.**

Developing Careers... Developing Relationships... Developing Communities

Mission, Vision, and Values

Artisans is a non-profit agency providing services necessary for individual job development, employment support and employment opportunities in the community for persons with disabilities.

Artisans has launched a drop off and pick up eRecycling service in partnership with CyclePoint from Source America for the Spokane Community and its outer lying areas. We are dedicated to not only providing employment for individuals within our community but to providing a convenient, affordable and safe resource to dispose of or refurbish old electronics.

Please contact us regarding all of your eRecycling needs...

Other Services Offered to Individuals with Disabilities

Each client Artisans serves is a unique individual with specific skills, abilities and talents. Because of this, our agency prides itself in offering services and employment opportunities as diversified as those that make up our organization. Artisans began providing employment services for less than 10 adults with disabilities, and today provides employment support for more than 170 individuals. Artisans strives to provide each of our clients the services necessary to ensure employment goals can be accomplished and provide stable and supportive work environments.
